2018-19 Accommodations Manual Change Log:

- P. 3: Clarified language in the central box.
- P. 4: Clarified language concerning NSA Application
- P. 5: Update Test Formatting Options chart to update online tests for grades 4 & 5.
- P. 5: Revised sentence: "Students unable to access an OSTP computer-based test must also be unable to receive computer-based classroom assessments, benchmark assessments, and districtwide assessments." Previously was: "Students unable to access an OSTP computer-based test must also receive classroom assessments, benchmark assessments, and districtwide assessments in this manner."
- P. 7: Updated language in P4 to say "ELA writing/extended constructed response sections only."
- P. 11: Revised language from Single Sign-on Tool and Single Sign-on Application to say Single Sign-on Website
- Global edit: Removed Nondisclosure agreement (NDA) form requirements and replaced with Test Administrator/Proctor Test Security Form. Now, the NDA language will be included in all TA/TP Test Security Forms so that only one required form will need to be signed for TAs/TPs.
