Step 11: Remember to forward your District Test Security Form to the proper school personnel. Principals and Test Administrators must share their completed forms with their Building Test Coordinator (BTC). Superintendents and BTCs must provide a copy of their completed forms to the District Test Coordinator (DTC).

For the building site, the BTC and DTC must confirm Test Security Forms are completed and saved after testing is complete.

After the completion of all OSTP/CCRA testing sessions for the district, the DTC must confirm with the superintendent that they have:

- 1) A record of all Test Security Forms for each building site.
- 2) A copy of their completed District Level Security Form and the superintendent's completed form on record at the district. **Sign District Test Security Forms only after all testing in the district is complete.**

Districts must retain local copies of all applicable Test Security Forms to comply with the Academic Assessment Monitoring Program (AAMP) requirements and potential security inquiries. These files can be saved electronically or as paper copies.

Neither Cognia nor OSDE will provide copies of completed security forms to staff.
